Começando há mais de 35 anos com uma única pedreira, a Gramil rapidamente se tornou uma empresa líder no setor de rochas ornamentais.

Situada em uma área de aproximadamente 50.000 m², na Cidade de Cachoeiro de Itapemirim, sul do estado do Espírito Santo, a Gramil possui um parque industrial considerado um dos mais completos do Brasil e podendo ser comparado às maiores empresas do mundo.

Starting more than 35 years ago with only one quarry, Gramil has rapidly become a leading company in the stone industry.

Located in an area of approximately 538.000 sqf, in the city of Cachoeiro de Itapemirim, Gramil has one of the most comprehensive industrial sites in Brazil and even comparable to the largest companies in the world.
